LCA Vision Medical Records Custodian 7840 Montgomery Road Cincinnati, Ohio 45236 Fax: (513) 513-672-9749 Note: Please allow for three weeks for the fulfillment or transfer of your medical record request. This is a general estimate, and could require more or less time depending on several factors like when you had your procedure and the LasikPlus center in which you had your procedure. If your medical records are needed for an important appointment or procedure with another doctor's office, please plan with the fulfillment period in mind. To ensure we protect your patient information there is not a way to expedite the records fulfillment process.
